Aims of the GN Programme

- To nurture players with different playing levels and encourage their long-term participation
- To enhance interpersonal skills and positive attitude through ice hockey training and games in a team environment
- To emphasise character-building through team sport
- To build a sustainable Positive Coaching culture among players, coaches and parents

GN Future Development in 2018-2021

Team Training Elements

- Focus on team training
- Team jersey design
- Team name
- Team bonding

What we expect from the parents?

- **Encourage your child**

- Ice hockey is a tough sport so motivate and give them confidence
- Be positive, negativity can only do harm

- **Trust the coaching staff, Academy and the Club**

- Everything we do is for the players, winning games is one of the priorities
- We are here to make a great experience for your son or daughter
- Improving their self-confidence and nurturing player's character is as important as improving their skills and game

- **Enjoy the ride**

- Hockey should be a great experience for your child and you
- Your commitment and support to hockey, Academy and the Club will make a big impact on your child's playing career
- Have fun! 😊
