**A city isn't built of
steel and bricks.**

It's built of dreams and relationships. It begins in the mind of developers, it takes shape in the hands of architects, it rises on the shoulders of builders, and for 150 years it's been set in motion by Otis. As long as men and women can imagine the future of the City, Otis will be there to help make it happen.

In winning company

When we opened in Asia more than a hundred years ago, we made a commitment to be here for our customers. With access to innovative financial products and capital, this long-term partnership has helped our customers to compete and win in the most dynamic and challenging markets of the world. As a result, Citigroup also wins. We are consistently voted the region's leading financial services company* and are proud to be its most awarded bank. **Winners in a word? Citigroup.**
