# HKAHC

**H**ong Kong Amateur Hockey Club (HKAHC), established in April 2001, is a non-profit sport club which aims to promote and develop the sport of ice hockey in Hong Kong.

We are a group of volunteers fully committed to serve the local hockey community. We organize regular league games, international and regional tournaments and exhibition games, professional team coaching and activities to promote the sport among the Hong Kong community in general, including the less fortunate and under-privileged.
